the application of private international law to electronic consumer contracts raises new complex and controversial questions it is new because consumer protection was not a private international law concern until very recently and e commerce only became an important commercial activity within the last ten years e consumer contracts generate original questions which have not been considered under traditional private international law theories it is complex because it has to deal both with difficulties raised by consumer contracts and the challenges of e commerce reasonable resolutions to consumer contracts may prove inappropriate in e commerce while effective approaches to resolving private international law problems in e commerce may be improper for consumer contracts it is controversial because it concerns the conflicting interests of consumers and businesses in a fast moving commercial environment a fair balance is therefore hard to achieve without proper solutions provided by private international law consumers will not be confident about purchasing online and businesses will face unreasonable risk and participation costs in e commerce updated and properly designed private international law rules are essential to the further development of e commerce this book aims to provide an answer to the urgent requirement for legal certainty security and justice in e consumer contracts it is primarily concerned with existing approaches to jurisdiction and choice of law issues in e consumer contracts in the european community and england but some typical approaches

in other jurisdictions are also examined based on the analysis and the comparative study of the existing law the book seeks to provide a proposal as to what the law should be in order to provide certainty to both parties to provide reasonable protection to consumers and to promote the development of e commerce

collaborations of physicians and researchers with industry can provide valuable benefits to society particularly in the translation of basic scientific discoveries to new therapies and products recent reports and news stories have however documented disturbing examples of relationships and practices that put at risk the integrity of medical research the objectivity of professional education the quality of patient care the soundness of clinical practice guidelines and the public s trust in medicine conflict of interest in medical research education and practice provides a comprehensive look at conflict of interest in medicine it offers principles to inform the design of policies to identify limit and manage conflicts of interest without damaging constructive collaboration with industry it calls for both short term actions and long term commitments by institutions and individuals including leaders of academic medical centers professional societies patient advocacy groups government agencies and drug device and pharmaceutical companies failure of the medical community to take convincing action on conflicts of interest invites additional legislative or regulatory measures that may be overly broad or unduly burdensome conflict of interest in medical research education and practice makes several recommendations for strengthening conflict of interest policies and curbing relationships that create risks with little benefit the book will serve as an invaluable resource for individuals and organizations committed to high ethical standards in all realms of medicine

conflict of interest allegations have become a prominent part of the landscape of political and public sector ethics in australia and overseas the arena of policing has not been immune from this problem and this book is based on unique and unfettered access to ten years of internal investigation files held by victoria police through detailed analysis of actual complaint cases it gives the reader a comprehensive map by which to chart the particular kinds of interests involved the nature of conflicts with official police duties and

the particular contexts from which conflicts of interest emerge the book examines conflicts of interest across the private and public realm of the everyday lives of police officers the author outlines how the problem of conflict of interest is an important aspect of police ethics arguing that recognition of and accountability for conflict of interest may be a significant element in preventing upstream police misconduct and corruption conflict of interest in policing seeks to provide a conceptual and practical understanding of how integrity and trust must be integrated into the profession of policing through processes of active responsibility rather than more traditional passive obedience to prescriptive rules

containing cases determined by the high court at patna and by the judicial committee of the privy council on appeal from that court
